Jaques Roque (Gameplay included in the Special Heroes bundle) Gameplay: Jaques Roque is a light, quick-scrolling adventure game, part of the "Special Heroes" bundle. Jaques will navigate you through puzzles as he makes his way through the forest. Jaques has a unique ability to auto-block, dodge, or jump over obstacles or enemies and a unique ability to traverse through obstacles too. Jaques can't penetrate enemies with his attacks. The game features an ambient and minimalist soundtrack. This game is a modified build of the game "Jaques Roque - Artefact", which itself is a direct port from the "Jaques Roque" game/world available for Windows and MacOS. Title: Aliens in the Distant Future Name: Alien Shooter (ALIEN SHOOTER) Version: 0.7.0.1 Description: Alien Shooter is a oldschool 3D alien shooting game. You play as a rookie who get sent into an expedition to investigate a crashed UFO. On the way there you have to investigate and fight off aliens. You will use 3 types of weapons to shoot them down. Go full-auto and empty your clip, throw a grenade or call for backup! Your decision will define your future in this game. Features: Slow Motion and Full Virtual Gunplay. Multiple projectiles to shoot, plus you can throw a Grenade or Frag Grenade to kill enemies. Up to 4 players co-op. Co-op play is limited to human. Artwork, Gameplay, RPG elements, Sound Effects and Music and much more! 8 Game Guide I believe this to be one of the best Alien shooters on PC. With multiple objectives, powerups and characters you can play different gameplays. 8 Review Fluker's Killzone! is based on a Japanese Anime series called Killzone and it was released in the U.S. in the spring of 2010, it has been reviewed pretty good so far. Features: Multiple characters with different skills, rocket launcher, super powerful plasma gun, jetpack, cloaking, radiation, grenade throw. 4 games in the single player and 20 in the co-op mode. Reviews Nice gameplay, story driven, high replayability and solid boss battles. 10 All Guide Featuring a beautiful, story driven 2.5D art style and chiptune soundtrack, Pandora Awakened is a love letter to early videogame classics and adventure game enthusiasts alike. A gripping tale of a time-travelling agent of order in a subterranean city of dystopian worlds. Reviews 10 All Guide The fan-favorite escape room experience, Escapists is back! Plug yourself into the new sandbox-style gameplay, pick a character and live the criminal life to the fullest. 10 All Guide Kholod is a sci-fi tower defence game set in an alternate reality. You will need to protect an island from alien invaders and do this in a survival fashion. There are multiple challenges and different enemies to defeat and in the end you need to achieve a goal to end the invasion and defeat the main boss. Features: Pick a defensive strategy, including managing your team, buying weapons, building defenses, fighting enemies and surviving and winning battles. Reviews

What's new:

Since 15 May 2011, Jacques Roque was elected president of the Comité d'Orientation du Parti socialiste (French Socialist Party (PS)). The election of Roque will be confirmed by the party in July 2011. Jacques Roque was born in 1960 in Roubaix. He graduated from the Saint-Cyr-l'École, in 1989. He obtained his diploma in management of corporate and industrial organization, in 1990. He joined the administrative staff of Lafarge in 1990 before serving as regional manager for the Paris-Aubervilliers metropolitan region from 1991 to 1994. He then became regional director for Langues in 1998, before taking over as vice-president of the regions, effective 1 March 2001. He was elected regional prefect of the Hauts-de-Seine region in 2007. He joined the Socialist Party before being elected regional deputy for the Seine-Val-de-Marne in the elections of 2004. He has also represented the Seine-Saint-Denis region at the National Assembly. In early 2008, he

became the owner, chairman and chief executive of the assets of the MRED, the state-owned company that carries out the construction, operation and maintenance of the Paris Métro. In 2008, he became the recipient of a Joanau contract granted to him, after changes to the rules introduced by Nicolas Sarkozy and resulting in the vote not only of the government but of the majority of members of the Élysée. His mother was a teacher in Roubaix and his father, a mason. He is a former cyclist. In December 2011, he was decorated by the Côtes d'Armor Regional Council for his work with the Seine-Saint-Denis department.

Self-organized deformation of crumpling gels. Recent work has shown that crumpled sheets of conjoined strip or tubular gels spontaneously assume a crumpled-sheet morphology that is in striking contrast to the initially spherical collapse of individual strips. Here we present an experimental investigation of the deformation of such a hybrid structure in a thermal setting using atom probe tomography, showing
